

## Eyelash Extension Program Syllabus

**Description:** The Eyelash Extensions Specialty program at IHeart Lash Academy meets the minimum requirements by the State of Texas. The Department of Licensing and Regulation has approved IHeart Lash Academy and its curriculum. The completion time for this program is 320 clock hours which is 3 months for Full time students and 4 months for Part Time Students. Students will attend 3 phases for this program, Phase I is the initial basic training, Phase II is building confidence, enhancing speed and self sufficiency. Lastly Phase III is the practical practice go techniques learned and model completion.

### Objective:

Upon completion of the Eyelash Extension program requirements, the graduate will be able to

1. Display personal integrity with self confidence and a positive attitude.
2. Display effective communication skills, visual poise and proper grooming.
3. Display effective employer - employee skills
4. Perform all skills at or above a basic level
5. Apply learned theory, technical information and related matter to assure sound judgements, decisions and procedures

To continue to grow as an Eyelash Technician, the graduate should continue to learn new and current information related to skills, trends, and methods for career enhancement in cosmetology and related fields.

### Instruction Methods :

IHeart Lash Academy curriculum is used in the program. Specific tasks necessary for state board preparation and entry level job skills are taught in sequential steps. Clinic equipment, implements and products are comparable to those used in the industry. Each student received instruction related to performing useful, creative and productive career oriented activities. Education methods used include lecture, demonstration. Textbook study, hands on practice, audio visuals, guest speakers, field trips not exceed 30 hours, projects and activities.

## Grading :

Students must maintain a minimum grade of average of 75% to be making satisfactory academic progress. Students are graded on theory, practical and clinic work. All grades will be on a 100 point scale. Written tests are generally given on Friday after each textbook chapter. In addition to the test, the workbook and assignment are due on the Friday after each textbook chapter. IF the student does not pass a chapter test , the score will be recored; but the student has one opportunity to re-test. If the re- test score is higher , it will replace the first score. A 10 point penalty applies on each assignment for each day work is late. Two comprehensive written exams are given at the completion of all chapter tests; the minimum passing score on a written final is 80%.

The grading scale is :

A 90-100 Excellent

B 80-89 Good

C 75-79 Satisfactory

D 0-74 Unsatisfactory
